Subject: Meeting Monday July 27, 2020

Good morning

On behalf of the Murren Brothers farm, the family stands to keep the Murren property in agriculture zoning.

In addition,

I am not able to find the 2020-C on the Township web site.

Can you direct me to the link or send me a copy.

I would like to address the right-of-way access along the Murren property, on the 116 side of the property is blocked by vehicles.

I feel this could limit emergency response to property along 116 or if there were a farm field emergency , I believe the township should look into this and enforce an open right of way.
