ADMINISTRATIVE
The bill's paid report was included in the packet for review.

Yutzy Pickleball – Dave & Jenn of Yutzy Pickleball were present to discuss their intent to add lines to the tennis court in Cheetah Park for pickleball. Supervisor Boyer asked if there are certain dates and times that the court would be used. Dave informed the board that there are no formal dates or times set. Dave and Jenn mentioned that residents had asked for pickleball lessons. Supervisor Shaffer asked the Township Solicitor if an agreement needs to be in place for this. Township Solicitor, Lee Stinnett advised that no agreement needs to be in place. The board agreed with the Solicitor that they may use Cheetah Park for pickleball. Township Manager, Dave Arndt advised Dave and Jenn to meet with Maintenance Manager, Scott Small on the lining for the pickleball courts. Maintenance Manager, Scott Small arrived at the meeting (5:55 PM) and mentioned that the tennis court is going to be resurfaced and relined for the tennis courts and for the pickleball courts.

Venom Lacrosse – Kelly Altland was present to discuss the Venom Lacrosse and usage of the multipurpose field at Cheetah Park. Supervisor Shaffer has concerns about the field usage that has been going on without a signed agreement in place. Kelly Altland advised the board that she spoke with McSherrystown and they told her that Venom Lacrosse was allowed to use their fields and property that borders up to Conewago Township's portion of the park. Supervisor McCall asked what days and times Venom Lacrosse will be using Cheetah Park. Kelly Altland said that practice is on Tuesdays and Thursdays 6:00 PM – 8:30 PM. Venom Lacrosse signed an agreement with the township on this date so now an agreement is in place. Venom Lacrosse is now able to use the multipurpose field in Cheetah Park just for practices.

Hanover Shoe Farms – Supervisor Shaffer would like to discuss this at the Finance & Operations meeting July 10, 2024 for possibly next year's budget. Supervisor Shaffer does not want to raise taxes because of donating money to the Hanover Shoe Farms to preserve the land.
