608 Oxford Drive – Access from Oak Hills. The board had a deep discussion on this. The current owner is looking at selling the 4 acres and would like to sell it as a single-family lot. The current owner and realtor would like to have the 60ft access that they were granted back in 2004 and never given for access to the property off of Oak Hills for better curb appeal. Supervisor Shaffer said that the current access you could give it good curb appeal by planting trees or shrubs. It was determined that at this time the board is not taken any action on this.

Respectfully Submitted:

Tammy Bittle, Secretary/Treasurer
