ADMINISTRATIVE
The bill's paid report was included in the packet for review.

Attorney John Murphy was present to discuss the property of 608 Oxford Avenue. Township Manager Dave Arndt asked John who will pay for the deed transfer and have it recorded. Mr. Murphy advised that he will be the one responsible for it. Supervisor Shaffer wanted to mention that the existing entrance/exit would remain as it is now and would like it to be closed if the new entrance onto Maple Drive is developed. The Township Manager advised that could be a condition at the time of Land Development Plan submission.

Russell Williams, of the Hanover Shoe Farms was present to discuss the parcels of farmland he is interested in preserving. He does not know the exact numbers yet but is estimating the request would be around $103,000.00 from Conewago Township to preserve the Stoner Farm and the Miller Farm. These two farms are approximately 266 acres. The Miller Farm is in also in Union Township, and they are donating money towards preserving the land. Supervisor Shaffer asked how much Union Township was donating and Ellen Dayhoff, of Adams County acknowledged that Union Township is giving $65,000.00 Discussion will continue at the June Workshop Meeting.
