Snow Removal Information

1. Don't plow, push, shovel or snowblow snow from your sidewalk and/or driveways into the street regardless if the street was snow plowed or yet-to-be snow plowed. This may result in a citation and monetary fine.

2. When you know there is going to be an accumulation of snow, park in your driveway and not in the street. This allows for the snow-plow operators to increase the width of the travel lane.

3. **Be patient**. Everyone is as important as everyone else. The street you reside on will get plowed.

4. For those that reside adjacent to fire hydrants, please remove the snow from surrounding hydrants and create access to the hydrant from the street.

5. Please remember that public sidewalks are the homeowner's responsibility to make passable via snow removal for the safety of the public. If you reside on a corner lot, attempt to free the corner area of the sidewalk of snow near the intersection.

6. Snow Emergency Regulations -
   Radio stations WGTY, WHVR and WYCR and TV stations WGAL, ABC27 and Fox43 are notified when a snow emergency is declared.
   There is NO PARKING on streets posted as Snow Emergency Routes.
   There is NO PARKING in all cul-de-sacs during a Snow Emergency.

7. Clean the roofs of your vehicles off before traveling on the roadway.
   Snow and ice may slip or blow off your roof and visually impair vehicles traveling behind you.

Snow Emergency Routes

Third Street - Both Sides
Conewago Drive - Both Sides
South Jefferson Street - Both sides from Third Street to Poplar Street
South Street - North side only

Ordinance - Article III. Snow and Ice Removal

Adopted 9-19-1994 by Ord. No. 1994-I

§ 130-20. Prohibited acts.

No person or entity shall, either personally or by others acting on his, her or its behalf, deposit any accumulation of snow, ice or other frozen materials upon the traveled section of any public highway, street, road or alley located within Conewago Township, Adams County, Pennsylvania. This prohibition relates to dumping of snow either by hand, by mechanical device, by motor vehicle or in any other manner which, in effect, results in any accumulation of snow, ice or other frozen materials on the traveled portion of any public highway, street, road or alley of the Township. The fact that the highway, street, road or alley surface was not plowed at the time shall not be a defense to a prosecution based on this article.

§ 130-21. Violations and penalties.

Any person violating any provision of this article shall pay a fine of up to $500, plus costs of prosecution.
